

LAUNDRY OPTIONS FOR HOTELS

Some hotels clean their laundry in-house, and others use an external laundry service. Both options have their own advantages.

ADVANTAGES OF IN-HOUSE LAUNDRY

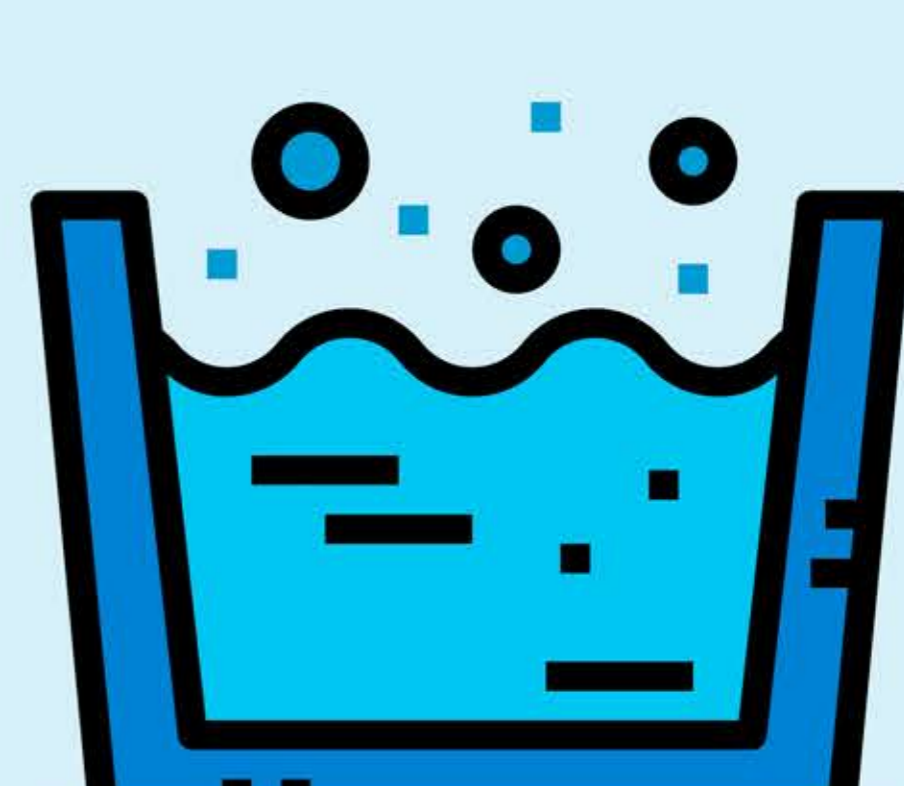

SPEED AND RELIABILITY

With a dedicated laundry facility in your hotel, you can respond to all your laundry needs fast and reliably.

CARE OF DELICATE FABRICS

Doing your laundry in-house lets you precisely control temperature and the use of detergent to help your delicates last and keep colours bright.

CLOTHES-WASHING FOR HOTEL GUESTS

With a laundry facility right in your hotel, you can offer your guests a quick and reliable clothes washing and drying service while they are in residence.

RELIABLE SERVICE CONTRACTS AVAILABLE

If you take out a servicing and maintenance agreement in connection with your laundry equipment, you can expect to see any faults rapidly resolved.

LONG-TERM COST SAVINGS

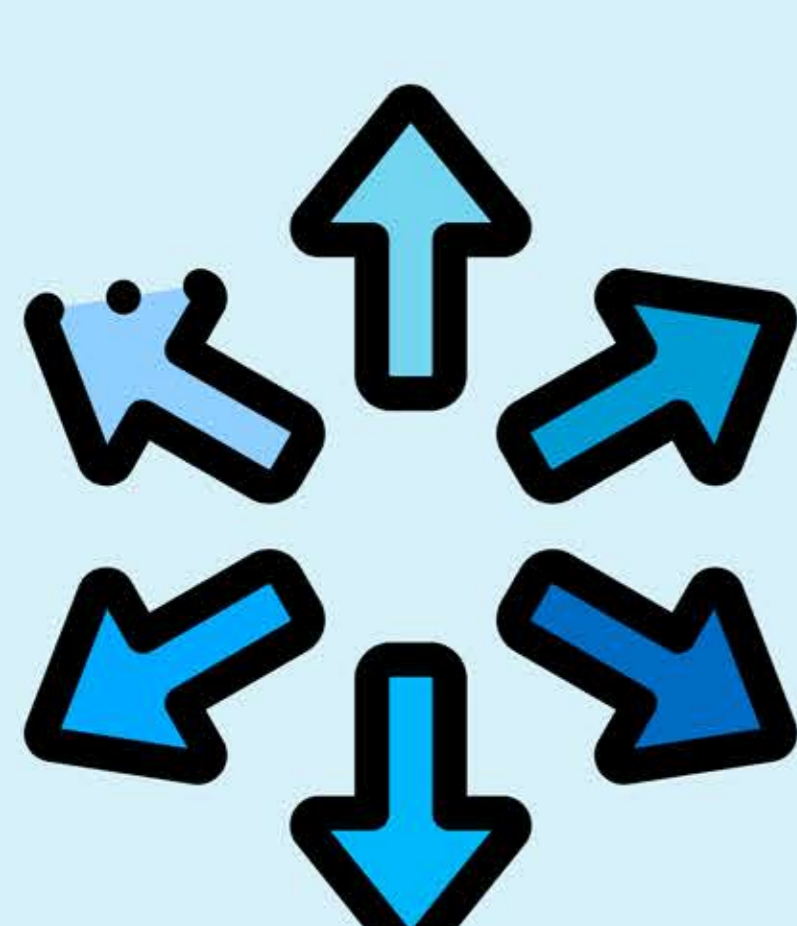

Over time, you should find that running your own laundry in the hotel can save on costs to your business compared with paying an external supplier.

CUSTOM LINENS AND FULL OPERATIONAL CONTROL

Having your own laundry facility gives you full operational control of your cleaning requirements and supports the use and care of high-quality custom linens.

ADVANTAGES OF EXTERNAL LAUNDRY SERVICE

SAVING ON SPACE

Contracting out your laundry to an outside service means you don't need to give valuable limited room space over to washing and drying facilities on your premises.

SAVING ON STAFF TIME AND LABOUR

Your dedicated hotel staff are probably very busy and could do without the fuss and tedium of finishing linens with irons and rollers every day of the week.

SIMPLER BUSINESS ACCOUNTS

When all you need to account for is a regular cost associated with contracting out the laundry, and nothing related to machines, your business accounts should be a little simpler and easier to manage.

LOWER ELECTRICITY BILLS

Contracting out your laundry with a regular standing order will keep your hotel electricity bills lower and your costs more predictable, helping you to manage your cash flow as a business.

PROFESSIONAL SERVICE GUARANTEES

Experienced commercial laundries should give you guarantees against loss of or damage to your laundry, and a reliable, timely service.

FULL LINEN HIRE SERVICE

Commercial laundries mostly offer a full linen hire service to hotels, which means you don't have to buy your own or monitor it for wear and deterioration.
